

The Joint Commission Accreditation Maintenance

GOALS:

- Proactively maintain compliance with accreditation requirements
- Remain up to date on changing accreditation standards
- Effective, sustainable performance improvement program

ACTIONS & DELIVERABLES:

QUARTERLY

- Review and provide feedback on performance improvement activities and safety systems analysis
- Remotely participate in one performance improvement activity and provide guidance, feedback
- Progress report on annual calendar of reaccreditation milestones, review of items completed and assignments for upcoming quarter
- Updates on new/revised accreditation standards, as applicable
- Four (4) hours of accreditation consultation each quarter via phone and email.

ANNUALLY

- Help create organization-wide annual accreditation calendar
- Verification of required staff trainings as related to accreditation
- Review staff competencies and assure pre-employment and annual assessments
- Review and provide feedback on annual evaluation of the effectiveness of performance improvement processes
- Assist with creation of The Joint Commission's Annual Focused Standards Assessment report
